## iPhone, iPad and iPod Touch

- 1) Open Safari and go to HealthInfo, [www.healthinfo.org.nz](http://www.healthinfo.org.nz).
- 2) Tap the Share button on the browser's toolbar – that's the rectangle with an arrow pointing upward. It's on the bar at the top of the screen on an iPad, and on the bar at the bottom of the screen on an iPhone or iPod Touch.

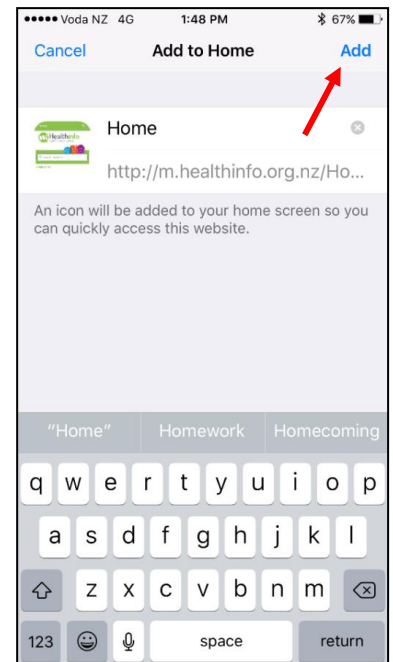

- 3) Tap the “Add to Home Screen” icon in the Share menu.
